BYO FOOD

Pre-cooked /Prepared Foods Only

Only pre-prepared or pre-cooked foods are permitted on board for BYO catering. Foods that require to be kept warm in the oven are permitted and will then be placed on a platter for service. A range of substantial platters or grazing boards are permitted for BYO catering provided they meet our liquor licence conditions of providing 350 grams per person. If the amount of food brought on board on the day doesn't meet with these requirements, the Cruise Director will inform the organiser and they will be required to order pizzas delivered to the boat.

Please note: We do not permit use of our BBQ by guests. We offer an extensive range of BBQ Menus cooked by our staff which they are welcome to choose from if they would like a BBQ option.

External on-board chefs/catering companies are considered on application only

BYO BEVERAGES

***Individual drinks brought on at boarding wharf are not permitted for groups with over 30 guests**

Due to the facilities, layout and service on board Karisma, BYO beverages are always preferred to be delivered to the boat 1 hour prior to the cruise to allow time for them to be set up prior to the entire party boarding.

For groups of 30+, you are not permitted to bring your drinks on at your boarding location. You must utilise the pre-access time and location to drop these off to be set up at the bar prior.

For groups of 30 or less that would like to bring drinks on at the boarding wharf rather than pre-access, they will need to allow our bar staff 15 minutes to set up the bar before service starts.

If individuals insist on bringing their own drinks separately, the bar staff will only put a mixture of these out at one time and guests will have to share them throughout the charter. Staff will not label individuals drinks with their names and keep them behind the bar for service.

BYO DJS/MUSICIANS/BANDS/STYLISTS**Incur a \$100 fee**

By law, music must be turned down to a low level when entering Darling Harbour or any public wharf. This applies when we are boarding or disembarking guests. If the DJ is disembarking at the drop off location with guests, they need to shut down and begin packing up their equipment 10 minutes early due to limited time allocation on the wharf for drop off, otherwise they are welcome to travel back to Pirrama Park to bump out immediately following the charter.

PLEASE VIEW PRE-BOARDING LOCATION ON FOLLOWING PAGE

PRE-BOARDING Location: Pirrama Park Wharf - on Pirrama Road in Pyrmont

Preboarding location is to load BYO food and drinks, BYO DJ or BYO Styling.

There are 2 red crosses marked on the map below. Karisma will tie up to one of these available wharves 50 minutes prior to your boarding time. There is street parking on Pirrama Road right on the park there and it is best to park where the yellow car icon is on the map below to unload and walk directly across the park to the pontoons (red crosses.)

****IMPORTANT PLEASE – Pirrama Park is a public park. Under no circumstances is anyone permitted to drive a vehicle through the park to the pontoon to unload. This is illegal as well as unsafe to members of the public using the park. If this occurs, you will not be permitted by crew to board the vessel and may be subject to a fine as well as termination of your charter.**

If you need to park your car for the duration of the cruise, we suggest you unload on the park and then drive your car up the road to the Wilson Car Park (labelled on the map) which is directly across from Jones Bay wharf.
